

# THE PATH OF ALL STAR CHEER

Let's find a tier that's perfect for YOU to have fun, make friends, grow and love All Star for life!

## All Star FUNdamentals | Discover. Learn. Grow.

FUNdamentals is the first stop for kids who are interested in All Star cheer, and offers:

- FUN, low-pressure, non-competitive, technique-centered progressional path for first-time cheer athletes to learn about All Star cheer and prepare to transition to competitive teams as they're ready
- Fall in love with All Star for LIFE!

## All Star Novice | Explore. Develop. Elevate.

All Star Novice is ideal for athletes who:

- Are ready to transition from FUNdamentals to team performances that are evaluated at events
- Are new to All Star, or may be coming to an All Star program with some cheer experience, possibly from a rec or youth program
- Are focused on strengthening technique and performance skills to ready themselves for an All Star Prep or All Star Elite team

## All Star Prep | Train. Compete. Succeed.

All Star Prep is ideal for athletes who:

- Are ready to transition from All Star Novice to a more competitive team atmosphere with limited tumbling
- Are coming to an All Star program with cheer experience, possibly from a rec or youth program, or transferring from another All Star program
- Are interested in a competitive team with less time and cost commitment than is required for All Star Elite

## All Star Elite | Achieve. Excel. Master.

All Star Elite is ideal for athletes who:

- Are ready to transition from All Star Novice and/or All Star Prep to a high performance level
- Are coming to an All Star program with strong cheer training and solid technical ability
